

God Knows my Name

Family Supplement

Today during our SRE lesson we spoke about our names. We talked about God knowing our name and about how special our name is to each one of us.

We have encouraged the children to come home and talk about their name with their family. There are some questions that may assist you to reflect on your child's name with them. This is only a guide so feel free to share any other information you can.

Where did my name come from?

Who chose my name?

Why?

What is special about my name?

What does my name mean?
