## Family Supplement

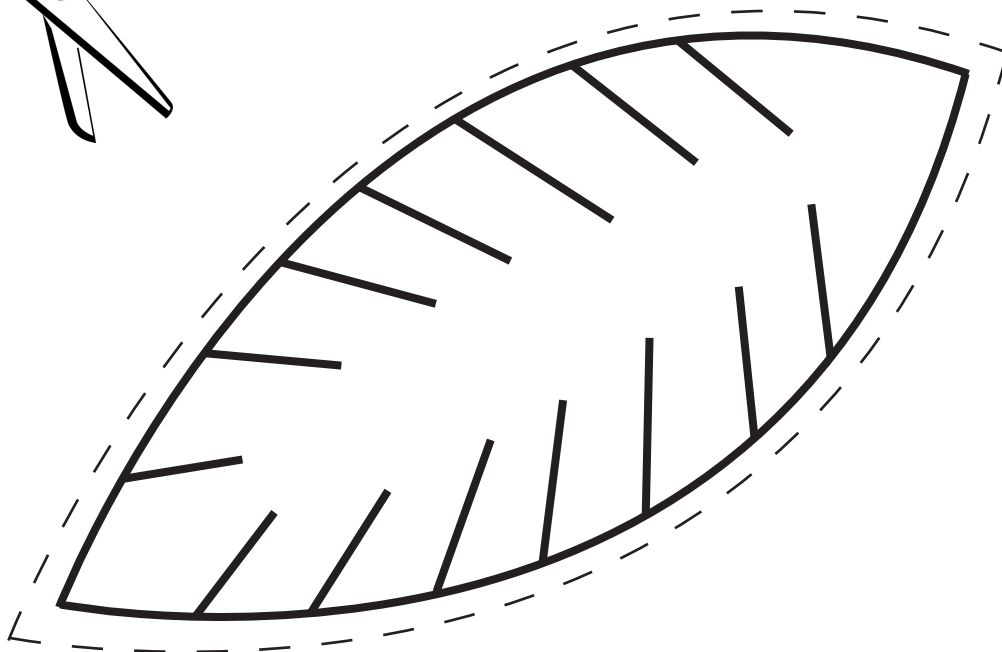

### Pin the Palm Leaf on the Donkey!

Colour the donkey and the palm leaf, then cut out the palm. (You may like to stick them onto cardboard first.) As you are doing so tell your family about the story of Palm Sunday you learnt in class and the important symbols which remind you of the celebration (Jesus, palms, donkey, crowd).

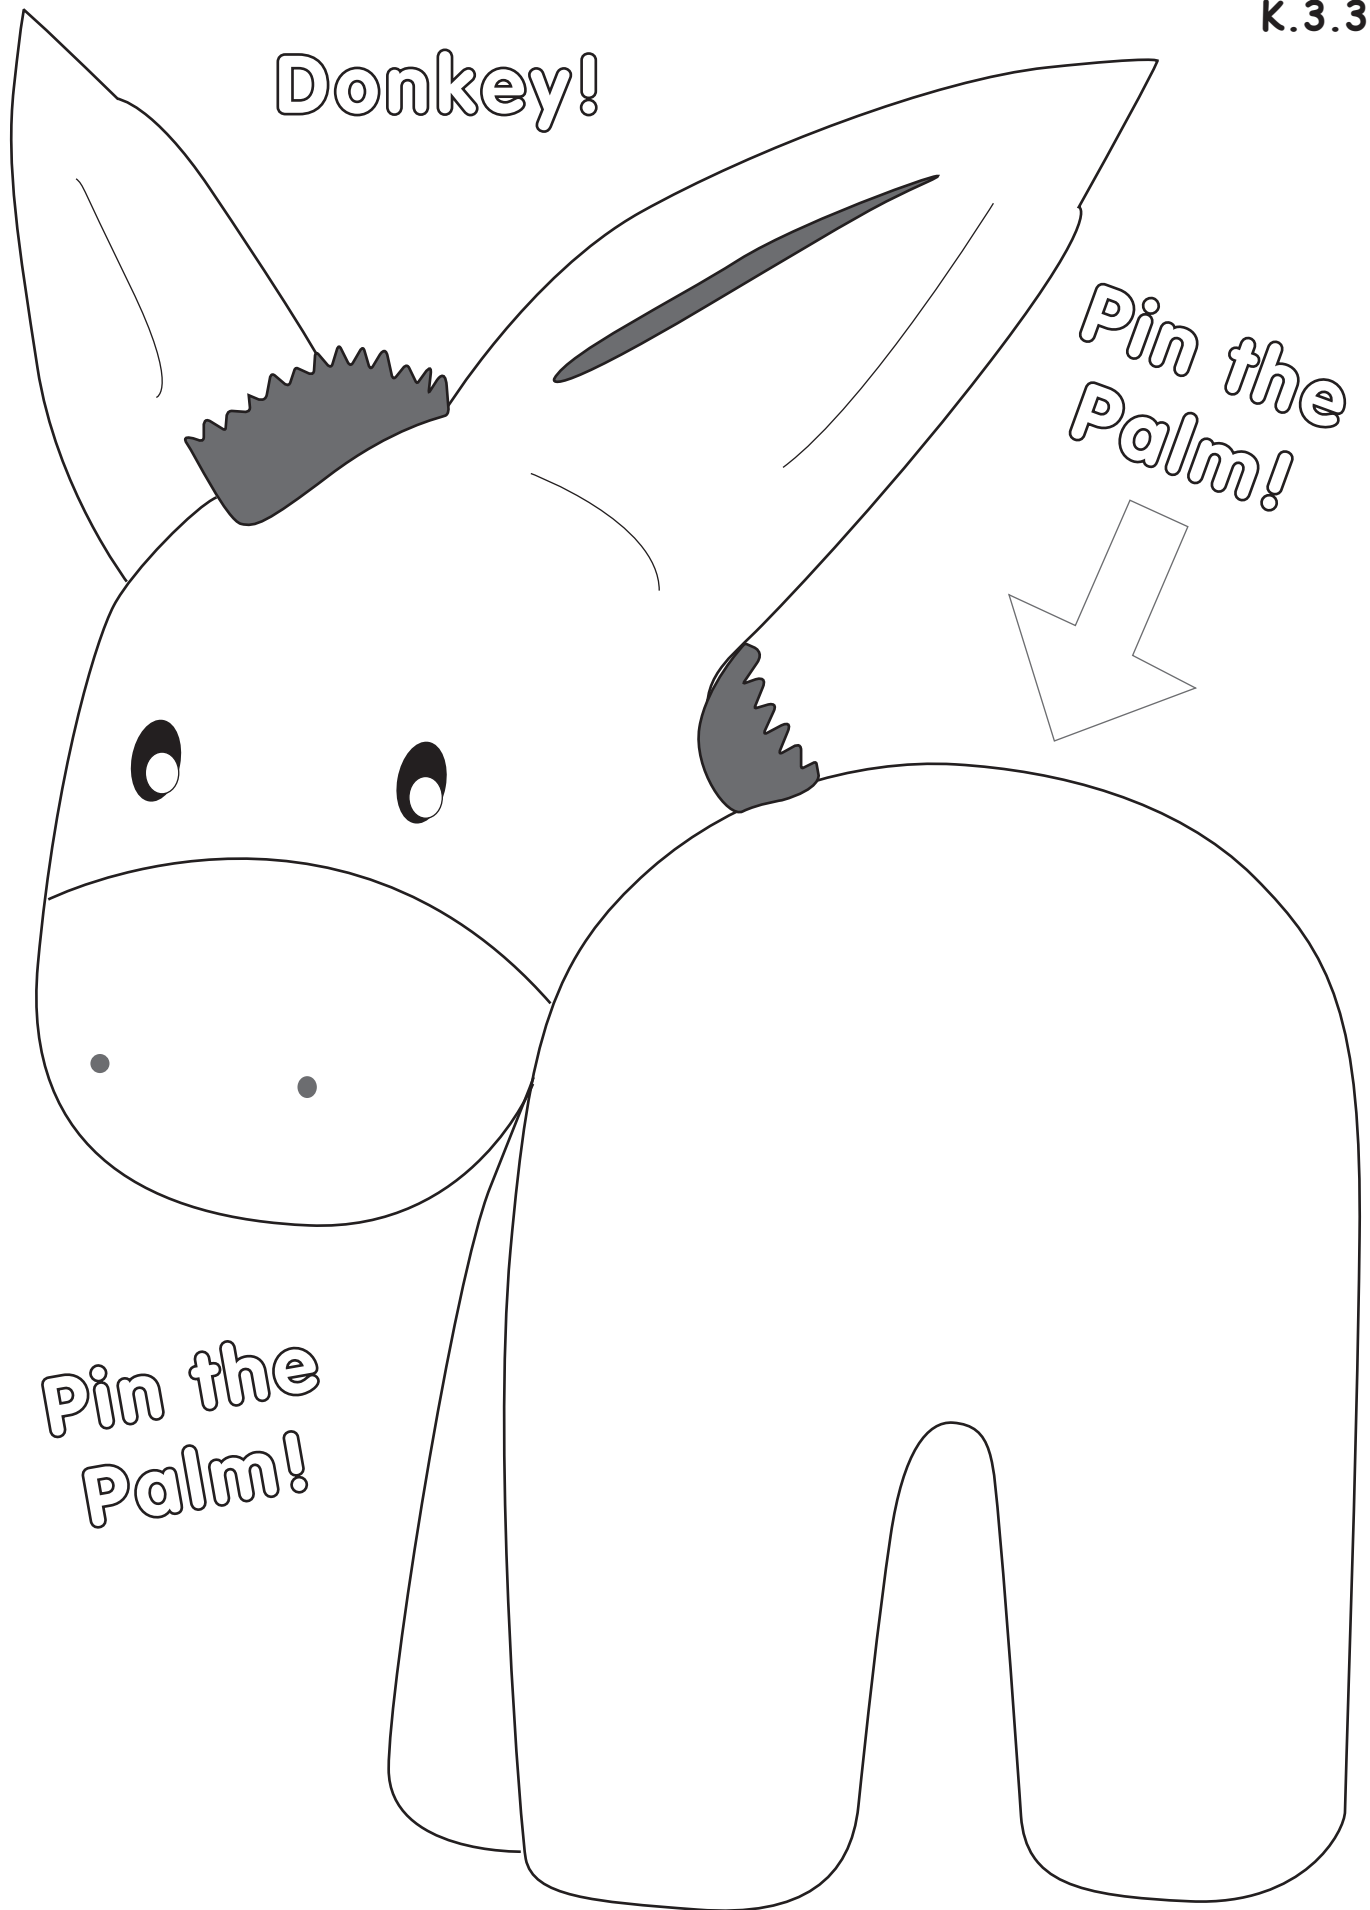

Together play the party game "Pin the tail on the donkey" using the palm leaf as the donkey tail to celebrate Jesus the King!

Make a palm leaf cross.

Have someone help you make a cross to remind you of the celebration of Palm Sunday.

You will need two lengths of palm and some wool or string.

1. Place two palm strips crossing over each other like picture number one.
2. Wrap some string around as shown in picture number two.
3. Wrap string around the other way to secure the cross!
