

God's Gift of the Senses

Family Supplement

Over the next few weeks we are going to be talking about our senses and how they help us to experience and appreciate all of the creation that God has given us.

We encourage you to locate a family photo that has been taken out in creation. It would be good to have your child in the photo. Glue it to the centre of this sheet. As a family in the circles take time to record the sounds, sights, tastes, touches and smells that are part of the memory in the photo.

As you do so allow yourselves to become aware of God who has given to us the wonder of creation and our senses through which we appreciate it.

I see

I hear

I taste

I smell

I feel
