Simeon and Anna (Luke 2)

Jerusalem was a holy city with a special building called the temple. When baby Jesus was old enough Mary and Joseph brought him to be presented to God in the temple.

It was at the temple they met two very holy people called Simeon and Anna. When they saw baby Jesus they were very happy. They knew he was a very special baby. Mary and Joseph were happy to present baby Jesus to them. They were surprised when Simeon said their baby would save the world.

Jesus grew up to be a fine young boy who pleased his parents and helped the people of his village. As he grew he learnt more about God and wanted to do God's will. Jesus would return to the temple many times in his life.
