Prepaid Tipping

After countless requests from our travelers, experience has shown us the practical wisdom of arranging a Prepaid Tipping Fund, which would be given to the group leadership prior to departure, with distribution guidelines for each guide and driver.

Note: Due to supply demands and non-refundable deposits imposed by suppliers for flights and accommodation services during Jubilee 2025, a Group Holding Deposit is required to be paid. This will be an amount of \$500 per pilgrim, due within 7 days of acceptance of the group quote and based on your nominated group size. This Group Holding Deposit will be refunded if the group achieves its forecast numbers. Any shortfall in pilgrim numbers will result in the Group Holding Deposit, times the shortfall amount, being forfeited.

The above quotation has been carefully constructed to remain as accurate and fully inclusive as possible. Please note however that at this stage all costs are indicative and must remain subject to increase, should any significant currency fluctuations occur, or unexpected increases beyond our reasonable control.

Please note that this group quotation is valid for fourteen (14) days. No flight, accommodation or touring arrangement bookings have been made. All arrangements are subject to availability at the time of booking of all services.

Please take the time to read and understand our Group Booking Terms and Conditions:
