CatholicCare Spotlight

World Elder Abuse Awareness Day:

Are you, or someone you know affected by Elder abuse? Elder abuse comes in many forms. It can be financial, emotional, psychological, physical, or social. Elder abuse can occur once, or many times. It can include one or a combination of the different types of abuse. Most often, elder abuse is carried out by someone known to the older person, with two thirds of abusers being an adult child.

If you are not able to keep and spend your own money, see family and friends when you want to, attend appointments alone or easily access clean clothes, food and medication then [CatholicCare](#) can help you to find a solution.

Family Dispute Resolution (FDR) services:

We assist separating and divorcing couples and their children to resolve disputes without needing to take action in the Family Court.

With the assistance of an impartial third party, family dispute resolution helps identify issues and together we develop a range of options and alternatives, with the goal to reach a settlement that is suitable to all. We deal with issues relating to children, parenting plans, contact with grandparents, blended family issues, parent and adolescent issues, communication breakdowns, relocation, passports, property and financial issues.
