National Vocation Awareness Week

An annual week-long celebration of the Catholic Church dedicated to the promotion of vocations to ordained ministry and consecrated life through prayer, and to renew our own prayers and support for those who are considering one of these particular vocations.

National Vocations Awareness Week is celebrated in the first week of August each year.

This is a week for the entire Church to consider, support and pray for those searching for their vocations in life. We might think about and pray for the young people in our community and in our families this week especially. In prayer, ask the Lord to enlighten them and give them the grace and courage to respond to His call. The Lord calls each of us to a particular vocation (marriage, consecrated life, priesthood or a single life of service).

*"the Church needs your momentum, your intuitions, your faith.
We need them!

From Fr David

Dear friends,

Several of our parish family have lost loved ones in recent times. To Lynne Attard, we extend our deepest sympathy on the loss of her dad, Ron and to Patricia Morgan our sincere condolences on the loss of her brother, Keith Forysth. We pray God's peace for Lynne and Patricia and their families at this time.

Our special prayer, too, for Lillis Roche who has now moved from Lady Davidson Hospital to Greenwood in Normanhurst. Let us keep especially in mind during this time all those who are involved in the care of our aged. It is very anxious time for our facilities of care as they seek to protect those who are particularly vulnerable, for our families who cannot enjoy the access that they may otherwise have to those they love, and for those who are resident who are cut off from their loved ones and from many daily activities that otherwise ensure a day with interest and anticipation.

We continue to go forward nervously and with uncertainty. Discussion about the use of masks has now become more prevalent. Please do feel very welcome to use a mask during Mass given the number of people inside the church. We do not know how long the pandemic will last but we have to be prepared that we will be living with these circumstances at the very least for another twelve months.

Feast of Mary Mackillop: Saturday 8 August—Mass at 9.00am

Our new

Reading and Maths Program space!

As a result of our new school building becoming available, many of our 'original' classrooms have been converted into new learning spaces, too! For years, our Reading and Maths Program has operated within the original Chapel space in our Convent Building. This space was great to have available so as to facilitate this important program, but the acoustics and dimensions weren't always ideal.

However, we have now relocated this program into one of our previous classrooms, and the space is perfect with lots of natural light and appropriate acoustics for wonderful learning to take place. Its close proximity to the new classrooms in the new building also makes transitions much smoother for the students, volunteers and staff alike.
