CATHOLIC SOCIAL JUSTICE

Support is needed NOW.

There will be no change to make rent more affordable unless we speak up. Without more pressure families, older women and newstart individuals will still be homeless.

These people need your voice.

We need some letters written to individuals on the Central Coast Council.

Could you leave your name at the office if you are willing to write to a councillor about local homelessness.

I will assist by giving you details of the council activities at this moment.
