World Day of Prayer for Vocations

The purpose of the World Day of Prayer for Vocations is to publicly celebrate vocations to ordained ministry and religious life in all its forms.. Our Vocations awareness program starts this Sunday in conjunction with Catholic Vocations Ministry Australia and Serra International Network

We are encouraging one family per week to take a crucifix blessed by the priest, home to pray one prayer each day of the week for an increase in vocations to religious life, priesthood and diaconate. This also encourages prayer in the home and gains blessings for the family.

Farewell Fr George on 29 April

To farewell Fr George we are going to have a cuppa after 5pm Mass on Sunday 29 April. This will be Fr George's final Mass before he heads back to Terrigal. He has become part of the parish family and we thank him whole heartedly for the caring way he has administered to the needs of the parish.

Anzac Day

There will be no Communion Service or Bible study on Anzac Day.

We commemorate the soldiers of the Australian and New Zealand Army Corps We remember and honour the courage and sacrifice of all our service men and women, many of whom never returned home from war.

THE ODE

Their glory shall never die, the whole wide world is their Sepulchre. Their epitaph is written in the hearts of all mankind and where ever there is talk of noble deeds their names will be held in grateful Remembrance.

They shall grow not old,
as we that are left grow old:
Age shall not weary them
nor the years condemn.
At the going down of the sun
and in the morning
We shall remember them.

Lest we forget.

SOCIAL JUSTICE

We Need Your Help

No Money involved.

This is one way You Can Make a Difference.

Lake Macquarie Council provides a large plot of ground for people sleeping rough in cars to sleep safely.

Kitchen, shower and washing facilities are available on site.

If you care and wish to make a difference write to the Central Coast Council and suggest they do the same in different parts of the Wyong and Gosford.

This makes it safer for the adults and children involved.

Writing in numbers will make a difference. Please try.

Next week: Innovative ideas for providing housing.
