From the PPC - Minutes of Meeting held Wednesday 20th June 2018

We began with the prayer for the **Plenary Council** prayer and a reflection on the sort of consultation we have been asked to have in the parish.

Business from previous meetings:

- Liane's **fundraising report** from the March Meeting was tabled and discussed. The parish needs more funds to continue its mission. Ideas for planned giving programme and fundraising were discussed.
- The Parish Offices have a **new computer platform and phones** connected to the Chancery and not the Schools Office. There is **WiFi** in church
- **Thank-you dinner** for volunteers has been postponed and will be held later in the year. An alternative suggestion was an afternoon tea.

College news:

- School **enrolments** are down slightly for the year. This is across other schools also.
- **New staffing in Primary** is Ann Jackson as Principal, Kerry Power as Assistant Principal; and Allison Passafaro as REC.

Parish Ministry Report:

- Margaret Hagan is the Acting Chairperson of the **Social Justice Committee**. Social justice is trying to change ways of dealing with issues in our community. The focus of the committee is **homelessness** and **refugees**. Price of housing main cause of the raise in homelessness. Many 'homeless' are living on couches etc. Families are house sharing to deal with high cost of living. Other people are 'sleeping rough' on the streets. Mental health is a concern of the 'sleeping rough'.
- Judith Stubbs is researching homelessness and how best to intervene and assist. The Priority is to ask people to write to the councillors and let them know your thoughts. Margaret has also written an Article in the Chronicle; visited other churches and parishes; and would like support from schools.
- There will be a push in the Parish on 15 July to sign a petition and write letters; Ann offered to assist with a School Facebook advertisement.

General Business:

- **Plenary Council**. The Hyland family offered to be the parish animator and will attend training on 3rd and 4th August.
- 5 pm Mass and **dinner** has been postponed till warmer weather
- **July Family Festival** on 8 July. Linked to World Families Day. Fliers will be stapled to the bulletin.
- Youth ministry – Next year the *Life Teen* program will be needed as participants will be older. A new facilitator for this group. Leanne to continue with her EDGE group. Ideas for younger students to be considered.
- **Family ministry** – future calendar of events for social occasions for families to meet and share friendships together e.g picnic, BBQ meetings in parks etc. Advertised in bulletin
- **Mary MacKillop celebration** – Wednesday Mass at 6pm and dinner at Wallarah Bay Club.
- Last year the change of date of the celebration caused angst so this year we will keep to official celebration date.
- Congratulations to Antony and the Indian Community. The **Grand Curry Night** raised \$3000 for the church, Vince asked if there was a preferred item the money could be spent on. Antony will ask and get back to us.
- **Staff employment** Advertisements were in the bulletin. Shortlisting for secretary to be done this week.
Interviews to be done ASAP. The CCD role was lacking in applicants and may be filled as a casual role for the time being.

Central Coast Council

In last week's bulletin we had details about the homeless on the Central Coast and the need to have affordable and alternative housing.

The Social Justice Committee is asking us to sign a petition and write letters to the Central Coast Council. This is a priority now because the Council has engaged Judith Stubbs to do a consultation and they will be receiving the results in the next few weeks.

If you have not yet done so, please sign the petition at the back of the church and send a letter, in your own words, to the Councillors. Suggested points for the letter and Councillors' details are below.

.....
Councillor _____
Central Coast Council
P.O. Box 20

Your address.

Date

Dear Councillor _____,

- State that people need lower rent, affordable housing and a chance for elderly and the young to have acceptable living situations.
- Alert councillors that the consultation is happening.
- Inform councillors that we want Judith Stubbs' report to be made public and for the Council to adopt the highest level of intervention outlined in.

Your name and signature.
