CATHOLIC SOCIAL JUSTICE

These are a few facts about homelessness and affordable housing. The Central Coast is experiencing a crisis of homelessness.

Who are the homeless? Look around and note. Three generations of families sharing a dwelling, youth living together in groups of 6 or 8 on Newstart, children sleeping in cars with their parents, women staying in violent relationships because there is nowhere affordable to take the children, older women who are sick or whose husbands are in homes. These are our families, our children, our grandchildren and our elderly parents. Look on the website and read articles under homeless and watch the videos

Please consider meeting us and helping to change this.
