Bookclub

The book for July's reading group will be one of the classics of catholic fiction.

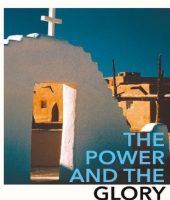

The Power and the Glory by Graham Greene. While a work of fiction it is set in

Mexico during one of the most repressive anti-catholic regimes in their history.

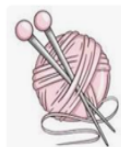

In August we will be reading another work of fiction about a priest but set in France - **Diary of a Country Priest** by George Bernanos. It will be interesting to compare and contrast the two characters.

In September we will be launching into **Theology of the Body for Beginners** by Christopher West.
