## Retreat update

Fr Vince is in the second week of his retreat which focusses on the Gospel stories which tell us about the key episodes in Jesus' life.

In this week St Ignatius recommends a form of prayer called the application of the senses. In this prayer you place yourself in a scene from the Gospels and ask yourself, "What do I see? What do I hear? What do I feel, taste and smell?" The purpose of these prayers is that we might get to know Jesus better and want to follow him and imitate him more closely.

Please continue to keep Fr Vince in your prayers as he journeys on his spiritual retreat.

**Thank you to**

Fr Alex, for looking after us while Fr Vince is away.

## Pope Francis' Prayer Intention for June

We pray that migrants fleeing from war or hunger, forced to undertake journeys full of danger and violence, find welcome and new opportunities in the countries that receive them.

In [The Pope Video](#) for June, Pope Francis prays "for those fleeing their own countries" and declares that "whoever welcomes a migrant welcomes Christ."

## Safeguarding

We have received copies of two important safeguarding documents from Bishop Anthony.

These are:

*Our Common Mission* which provides high level principles and guidance for all those involved in ministry.

*Integrity in our Common Mission* which applies these principles into a code of conduct for all those exercising ministry.

Both have been approved by the ACBC and apply to all parishes and dioceses across Australia. Copies can be obtained from the Parish Office or at <https://www.catholic.au/s/article/National-Code-of-Conduct>

## Elder Abuse Awareness Day 15 June 2024

This was initiated by the International Network for the Prevention of Elder Abuse (INPEA) in 2006 and is recognised as a United Nations Day. The day aids as a global call to action against elder abuse with a focus on the

dignity and rights of the elderly. This year the theme is "Spotlight on Older Persons in Emergencies" and highlights the need to advocate for older people and reaffirm our commitment to safeguarding them, especially in times of crisis.

If you have concerns about your own wellbeing or of any older person in their family, home and community: • Contact the NSW Ageing and Disability Abuse Helpline on 1800 628 221. • Speak with your CatholicCare Worker or contact CatholicCare on 1800 324 924.

You can access information on available help or be supported to make an anonymous report. In an emergency, call 000 or Lifeline 13 11 14 for crisis support. What is abuse? There are many types of abuse that can be experienced: Financial abuse includes limiting access to a person's bank account, spending their money without permission, or abusing powers of attorney for financial gain. Neglect includes not providing basic items such as food, clothing or a safe place to live, or preventing another person from receiving the medical or social support they need. Psychological abuse includes treating an adult like a child, stopping someone from making their own decisions, threatening or stopping someone from seeing their family and friends, or verbal abuse and bullying. ## St Germaine Cousin Feast Day 15 June Her life story reads like a true Cinderella Story.

She is the patron of abused children Born in France 1579 and died 1601. No matter how little Germaine had, she shared it with others. Her scraps of food were given to beggars. Her life of prayer became stories of God that entranced the village children. She was so forgiving. A lovely Saint.
