### Animator's Report Calling all Catholics. Your church wants to hear your voice. Plenary council 2020.

The Scriptural theme for the 2020 plenary council is taken from the book of Revelations Chapter 2. Verse seven reads: "listen to what the Spirit is saying to the churches."

This quotation is part of a letter that the apostle John wrote to the Christian church at Ephesus.

Ephesus in what is now Turkey is believed to be where the Virgin Mary was living when she was assumed bodily into heaven. We celebrate this as the feast of the Assumption. Reading chapter 2 shows the relevance of the letter written 2000 years ago to the Church in Australia.

Revelation 2:

To the angel of the church in Ephesus write:

These are the words of him who holds the seven stars in his right hand and walks among seven golden lampstands. I know your deeds, your hard work and your perseverance. I know that you cannot tolerate wicked people, that you have tested those who claim to be apostles but are not and have found them false. You have persevered and endured hardships for my name and have not grown weary. Yet I hold this against you: you have forsaken the love you had at first. Consider how far you have fallen! Repent and do the things you did at first. If you do not repent, I will come to you and remove your lampstand from its place..

Whoever has ears, let him hear what the Spirit says to the churches. To the one who is victorious, I will give the right to eat from the tree of life, which is the paradise of God.

This short chapter reflects the story of the Australian Church.

It has preserved in difficult circumstances and not grown weary but it has also fallen away from its principal responsibility to stand for God.

Its leadership neglected their duty to protect children and it must repent and do now what it did at first- to stand for God in all things but especially in the protection of those who cannot protect themselves and who are entrusted to its care.

If it does not do this God will remove its lampstand ( its light).

Now it must listen to what the Spirit is saying. That is why the Pope has called the entire Australian Church to a Plenary Council in 2020.

That is the vehicle to start the Church on its 21st century journey.

It is a call to repentance and to listening to God.

In return God promises the right to eat from the tree of life, heaven itself, the paradise of God.

Parish Gathering Saturday 17 November at 2.30 pm in the Hall.

Your chance to have your say.

"What is God asking the Church in Australia at this time?"

**What is spiritual direction?** In spiritual direction you reflect deeply on the experiences of your daily life, your loves, hurts, dreams, joys and fears.

Gradually, as you contemplate, you may begin to discover how God's spirit is moving in your life and that God has been waiting for you to see this closer relationship. Spiritual direction is really not about being directed, nor is it therapy, or counselling. Rather, it is very much about being encouraged to draw closer to God whether that be in your prayer life, relationships, in nature, or in the events of your life. The privilege and responsibility of a spiritual director is to journey with you, in one on one conversations, as you deepen your relationship with God. What is shared is held in confidence . A meeting time is agreed upon, usually once a month, for an hour. A small donation is appreciated and this will be given to the parish.

**If you are interested in participating in spiritual direction please call Robyn Wild 0410454650**
