

OUR 2024/2025 SACRAMENTAL PROGRAM

Our Parish Sacramental Program is parish-based, family-focused and school-supported. It aims to support you and your family as you grow in faith.

In this brochure, you'll find key dates and requirements for our 2024/2025 Sacramental Program. Our parish also offers Baptism of School-Age Children and Reception into the Church for a child baptised in another Christian denomination.

If you are new to the program, we invite you to attend a **Sacramental Program Overview Session** to help you understand the program, timeline and process.

Visit our parish website for more information, or contact our Sacramental Coordinator, Ursula Halloway, on 0450 101 767 or at families@nhcatholic.org.au.
