We have gathered to offer thanks to the Father for his care and love in our lives and we make this thanksgiving in union with Jesus who is the wisdom of God and our brother. But today our reflection on the Father's goodness holds, as it were, a mirror up to this relationship that the Father has established with us in Jesus, and we are reminded that the Father's greatest act of love was sending Jesus to us. Our fathers in the desert long ago thanked the Father for the gift of heaven-sent bread, but we thank the Father that heavenly life and wisdom have come down to encounter us in Jesus. In Jesus we see our God made visible and so are caught up in the love of the God we cannot see.

**NATIONAL VOCATIONS AWARENESS WEEK: AUGUST 5-12 : TODAY WE CELEBRATE LAY VOCATIONS**

The laity of the Church – which makes up the vast majority of the body of the Church – has been charged throughout history with a special role in bringing the Word of God to the secular world, from our family lives to our professional lives. Some would argue that this is the purpose for which we have been sent, and why God gives us life. Indeed, we must fill this role, because we are a part of what is called "The Mystical Body of Christ;" we are Jesus's hands and feet on this earth. It is not solely inside the church that we are able to make a difference. Once we are able to make that first

leap into a ministry, often the fruit of the ministry echoes throughout our lives. We may become more patient, less judgmental, more willing to talk about our faith with others. We may find the courage to launch our own ministry or go on retreat to deepen our prayer life. There is a joy in finding our place in the Mystical Body of Christ. God has already equipped us with what we need to serve Him, and His children, in this world. If you see yourself as an unlikely apostle, fear not – St. Paul himself was the most unlikely of missionaries, and yet God used him, and many others. Our ultimate end should be to open ourselves to God's plan for our lives, the greatest gift He gives us, as we discover our place in the Mystical Body of Christ and His Church.

## CHARITABLE WORKS FUND APPEAL :

### THE FIRST IN THE 2018/19 FINANCIAL YEAR COMMENCES TODAY

As you are all aware, the CWF appeal is held three times annually and as a parish our levy is just over \$11,000 per appeal. We are happy to say that due to your generosity your donations almost reached that target of \$33,000+ last year.

**Today we feature a short video just before each of our Masses ends, which was prepared by our Chancery to highlight the work of our hospital chaplains and to better understand the value of your donation dollar.**

Please know that the Charitable Works Fund is 100% tax deductible and 98.25 cents of every dollar goes to the following five beneficiaries:

**CatholicCare Hospital Chaplaincy and Pastoral Care Practitioner Program** – where five Pastoral Care Practitioners reach over 3,000 patients, 700 families and over 180 hospital staff each year across seven hospitals in our Diocese.

**Confraternity of Christian Doctrine** – creating and updating the curriculum and training catechists who minister to Catholic students in public schools across the Diocese.

**St Lucy's School** – for primary school students with disabilities.

**St Edmund's School** – for secondary school students with disabilities.

**Ephpheta Centre** – serving the Catholic deaf community.

**CWF Envelopes are available at all pews today for your donation.**

### MOVIES WITH MEANING

#### SAT AUGUST 25 AFTER THE VIGIL at the Jordan Room : 'JOSHUA'

The film is based on the novel 'Joshua: A Parable for Today' by retired Catholic priest Joseph Girzone. It places Joshua, a Christ figure, among the residents of tiny, semirural town. Please join us for an evening of entertainment and meet some new friends. Bring along a plate to share for your evening meal.

### AUGUST SAFEGUARDING MESSAGE FROM OUR DIOCESE:

"A child – focused complaints process is an important strategy for helping children and others in institutions to make complaints." (Royal Commission, Final Report 2017)

This means:

The process is not slow in addressing the concern/complaint, children know who to speak to if they have a concern/complaint, children are listened to, they are believed, they are supported and children feel comfortable and empowered by the complaints process.
