## 3rd Sunday of Advent

Year C

December 16, 2018

*Someone is coming, someone who is more powerful than I am and I am not fit to undo the strap of his sandals.*

*Luke's Gospel today is a reminder to us that Advent asks us to consider our honesty and integrity, for we know that many are poor, at home and abroad, because of the greed of others. Christmas is a reminder and a challenge that all can live with the dignity we have come to regard as human rights—education, safety, shelter, food, water, employment, freedom. The Christ child who was born poor represents all the poor of the world, especially children. As he was born ordinary, he represents that God meets, greets and helps us in the ordinary aspects of life. The one who is to come is the one who will live and love according to these truths of human dignity and equality.*

**MOVIES WITH MEANING:**

**Saturday December 29 after the Vigil Mass, at the Jordan Room**

*This movie is one for the all the family— Miracles do come true; we only have to have faith in God and believe.*

Deep in the heart of the English countryside lies the enchanting village of Gladbury. Legend has it that every 25 years an angel visits the village candle maker and touches a single candle. Whoever lights this candle receives a miracle on Christmas Eve. A young Replacement Minister arrives in Gladbury with a new formula for miracles, by good deeds and acts of kindness. God has a way of changing all of us including the clergy.

Please join us and bring a plate for a shared meal! Perhaps we may even welcome in the new year, a little early!

**Keep "Christ," and the "Mass" in "Christmas!" A Reflection by John Michael Talbot**

This year lets really enter into the "Christ Mass" fully! Sing the beautiful Christmas hymns and songs! Cantors and choirs: Pray as you sing. People want skill, but not a mere performance! Pray from your heart as you say the responses! They are ancient and rich. Let them reach into your heart and soul, and wake them up! The angels and saints are celebrating with you at Mass. See them rejoicing all around you. Heaven and earth are meeting in this scared space and time in a way beyond all space and time! Eternity is breaking through in this Mass right now! Allow yourself to weep for repentance, joy, and awe this Christ Mass!

Most importantly, see Jesus coming personally for you in every Eucharist. If we see Him there then every Mass becomes a Miracle of miracles. Sacramentally His birth in a manger is really there! His life, teaching and miracles are really there! His death on a cross and resurrection is really there! He comes personally for each of us in every Mass, and especially in the Christ Mass! As you go forward to receive Him, give your life to Jesus personally as a response to He Who gives His life for us personally out of love. It is the greatest ongoing public altar call that can be given, and it happens daily at every Mass. It especially happens at the Christ Mass! So let's keep Christ and the Mass in Christmas this year! Let's give our life completely to Him, for He gives His life personally for each one of us in this Christ Mass. He comes for you and me personally this Christmas!

Your

Prayers

Please
