Bartimaeus is a man who has almost nothing in life. His blindness has made him outcast and he is reduced to begging on the side of the road. When he is called to Jesus he jumps up and casts off what may well be his only real possession – his cloak. Yet what he does have in abundance is faith and hope. When asked what he wants Jesus to do, his answer may seem obvious, but his desire to see goes beyond physical sight. He asks for the sight of one who truly believes and to whom the truth of Jesus is revealed. In this way, he is a model to all who would be disciples.

SOMERSBY MASS TIMES: ALL SAINTS DAY VIGIL , 6pm Wed October 31

ALL SOULS DAY: 6pm, Friday November 2.

All Saints Day and All Souls Day set the tone for the month of November. All Souls are our family and relatives, our neighbours and friends, our ancestors, that "cloud of witnesses" who accepted the godly realism of their lives, shared it with others already on earth, and continue to do so now before the throne of the Lamb in heaven.

The feast of All Souls and the month of November is a source of consolation for each of us. The consoling doctrine of the Communion of Saints allows us to feel ever close to those who have died and gives us much hope in moments of despair and sadness. The holy souls in purgatory see ever more clearly what we intuit from afar. They are already within reach of eternal life, the loving arms of Jesus; but they are not yet closely within his embrace. The sting of death has been removed, but they are still sensing the pain of love which only complete union with Jesus can heal. The healing process is accomplished by the same love which makes the separation momentarily very painful. Our prayers for the faithful departed increase faith and love within us; they draw us to look upon the Son with ever greater longing www.zenit.org

You are invited to remember your departed loved ones during the month of November at dedicated Masses each day of the month, and to have their names placed on our Wall of Remembrance. To do so simply complete a November Mass envelope available at all pews day, record the names of your loved ones and place an offering inside.

St Patrick's also offers Mass at Pt Clare Cemetery and the Pioneer Park Memorial Cemetery at Pt Frederick and parishioners are invited to attend to remember their loved ones.

STATEMENT FROM THE CATHOLIC DIOCESE OF BROKEN BAY ON THE NATIONAL APOLOGY FROM THE PRIME MINISTER OF AUSTRALIA: MON OCT 22

Today's National Apology by Prime Minister, the Hon Scott Morrison MP, to the victims and survivors of institutional child sexual abuse, and to their families and loved ones, has recognised the many individual voices of pain shared with the recent Royal Commission into Institutional Responses to Child Sexual Abuse, and the countless unheard voices, as a trauma of national scope. It has acknowledged our failure to protect children, a failure that has made our society and our institutions less than what they need to be – places of safety, encouragement and openness.

The Apology, arising from the depths of such damaging experiences, has honoured voices of pain with national acknowledgement. Today, we especially remember those who are no longer with us but whose courage broke the silence around sexual abuse, and those who have dedicated their lives to support and assist others who have struggled for recognition and justice over many decades. We too must now model their courage and be voices of resolve for change.

The Catholic Diocese of Broken Bay joins the Prime Minister in its own apology to those who have been hurt by the crimes of members of the Church, and by attitudes and structures that have further damaged them. It restates its commitment to learn from the stories of pain, to renew its commitment to the life of the Gospel, and to the safeguarding of all, especially of children and vulnerable adults.

May we not forget the memories of pain that so many bear so that those voices always impel us to the pathway of conversion and change. May lone voices now find themselves part of a national chorus to protect the rights of our children and the future of our society.
