

KU-RING-GAI CHASE CATHOLIC PARISH

'Seek God, Find God, Embrace God in Jesus'

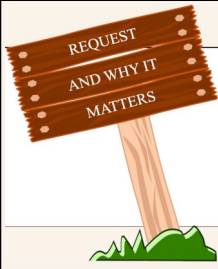

Diocese of Broken Bay ~ 1st March 2020 ~ First Sunday of Lent - Year A

Be merciful, O Lord, for we have sinned.

Gen 2:7-9, 3:1-7; 1 Rom 5:12-19; Mt 4: 1-11

Our Mission Statement: 'Help others to recognise, through their experiences, that Jesus who died and is risen is the truth that lights up their lives'

Our Vision Statement: 'That the parishioners of Ku-ring-gai Chase Catholic Parish grow as missionary disciples and live as community in Christ inviting all people into our Parish, welcoming them to our Parish life and embracing the rich diversity of our community'

Dear Parishioners, Recently, Fr Joy and myself have noticed that *the Chapel at Saint Patrick's* is being used by more and more people during Holy Mass. From young couples and adults on their own, to young families with little children, we need to make you aware that you are using the Chapel during Mass for reasons other than its original intention. *The Chapel at Saint Patrick's* is where the Tabernacle is situated; in other words where **'Christ is present in the Holy Eucharist'**; it should therefore be a place of reverence at all times and reserved for quiet prayer and reflection before and after Mass only.

We therefore ask that adults with little ones (who understandably get a bit wiggly and sometimes a little noisy), please stay with us in the main body of the church. ***If they run around don't worry, we understand.*** However, there is always the option of the special room on the school side of the church if needed. All other parishioners,

please join the rest of the congregation in the main body of the church during Mass. *Thank you for your understanding. Fr Shaju.*

Hearing the story of Adam and Eve in today's first reading reminds me of the little boy who opened the large family Bible with fascination, and looked at the old pages as he turned them. Suddenly, something fell out of the Bible, and he picked it up and looked at it closely. It was an old leaf from a tree that had been pressed in between the pages.

'Mummy, look what I found', the little boy called out. 'What have you got there, dear?' his mother asked.

With astonishment in the young boy's voice, he answered: 'I think it's Adam's suit!'

The Genesis story about the origins of sin in the world rewards very careful reading. The serpent promises Eve two things: that her eyes will be opened to know good from evil and that this will make her like God. Such a temptation was irresistible and nothing has changed. Knowledge is a gift given us by God. I am always grateful for being a Catholic because, along with other long-standing Christian denominations, we highly value scholarship, rational thought and inquiry. As anxious as the Church has sometimes been about scientific investigations, our best traditions are to see God revealed in human thoughts and scientific achievements that ennoble our human family. It is the application of knowledge, or the way it is abused, that can be harmful.

On the domestic front, many families have a 'know-it-all', the relative who has an extraordinary ability to retain facts and figures and who seems to gain a sense of self-worth by correcting us mid-sentence when we get a number, place or fact wrong. He or she can be very irritating. On the world stage we have seen how scientific knowledge can try and seduce us into believing that all scientific achievements are good no matter how unknown the consequences of these choices might be for future generations. Every new piece of knowledge brings with it wonderful potentialities and serious responsibilities. As this story demonstrates, the temptation to know as much as God has never been more real than it is right now.

One day a group of scientists got together and decided that man had come a long way and no longer needed God.

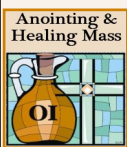

The scientists walk up to God and say, 'God we've decided that we no longer need you. We're to the point that we can clone people and do many miraculous things, so why don't you just go on and get lost.'

God listened patiently and after the scientists were finished, said, 'Very well! How about this? Let's have a woman-and-man-making contest.' To which they agreed. However God added, 'How about we do this just like I did back in the old days with Adam?'

The scientists said, 'Sure, no problem', and bent down and grabbed some dirt.

God just looked at them and said, 'No, no, no. You go and get your own dirt!'

Today's Gospel is about knowledge too. Satan knows who Jesus is. His temptations are an attempt to get Jesus to betray his humanity and not endure the limitations of his daily life. Jesus knows that the only way to be true to his divinity is allow us to see it shine in and through his human life. The rejection of the temptation to compromise his frail human frame gives us the hope that we, too, can glimpse the power of God's greatness in every moment we reject the desire to be directors of our own destiny and to see good triumph over evil in the choices we make. It's a relief to know we don't have to be God! May this Lent see us do what we are created for: to use all our knowledge to praise, reverence and serve the Loving One who willed us into being. © Richard Leonard SJ

A classic characterization of Jesus is that He is priest, prophet, and king. As **priest**, he sanctifies, that is to say, he re-establishes the lost link between divinity and humanity; as **prophet**, he speaks and embodies the divine truth; and as **king**, He leads us on the right path, giving guidance to the human project.

You might say that, as priest, He is the life; as prophet, He is the truth; and as king He is the way.

During the six weeks of Lent this year our parish will conduct a presentation of six 25-minute videos by the renowned teacher and theologian Bishop Robert Barron. These presentations will be followed by a 30-minute group discussion session on aspects of our baptismal incorporation into Christ, as presented by Bishop Barron.

Please join us for all or sessions or just when you can make a session.

Held **Thursday evenings** up to and including **Thursday April 2** in **St Patrick's Hall** from: **7.30pm to 8.30pm.**

Tea, coffee, biscuits provided. Hope to see you there. *Michael Halliday, PPC Chair.*

Each year Project Compassion brings together thousands of Australians in schools, parishes and the community to stand in solidarity with the world's most vulnerable communities, to help end poverty, promote justice and uphold dignity.

Boxes are at the back of our churches and you are encouraged to take one home and with the spirit of "Almsgiving" to sacrifice the cost of something, such as a coffee a day or a pizza each week for those who may not even have clean drinking water.

PRAYER: God of all peoples and nations, as you accompany us on our Lenten journey, may our fasting strengthen our commitment to live in solidarity, our almsgiving be an act of justice, and our prayers anchor us in love and compassion. Awaken our hearts and minds that we may be one human family as we all go further together. We ask this in Jesus' name, **Amen**

A Memorial Mass for the Repose of the Soul of Jillian Arthur will be celebrated at St Patrick's on Wednesday 11 March 2020, 7pm.

Jillian has been a much valued part of the parish for many years. She was a friend to all and much loved by many of our parishioners. Many would know her fondly as the lady at 6pm Vigil Mass, who sat in the front row and responded faster to the prayers than anyone else in the church! Jillian will be especially missed by our Eucharist Ministers of Holy Communion who have taken Our Lord to her for many years in her home at Mt Colah, and more recently in Regis Aged Care.

*All are welcome to attend this Mass of celebration for the life of

Preparing for our First Reconciliation. On Tuesday 24 March and Thursday 26 March eligible children of KCCP will receive the loving peace and mercy given through the healing Sacrament of Reconciliation. As they continue to prepare over the next few weeks, you are asked to keep them, their families and their workshop facilitators in your prayers.

Time to say Farewell to The Schneider's, Teresa, Henning and Jessie.

Some people come into our lives and quickly go. Others stay awhile, make footprints on our hearts and we are never, ever the same.

If you don't know Teresa and Henning by name you will certainly know them by sight as they have been very active and involved parishioners of our parish over many decades.

Hailing from the Asquith end of the parish, Jessie has already moved to the Central Coast and will soon be joined up there by her parents.

The Schneider's, are a very loving, loyal and giving couple who have cleaned, read, been active in SVdP, Vice-Chair of the PPC, provided administration support in the office, arranged flowers, been catechists, counted money, taught English to our international priests and the list goes on and on.

Teresa and Henning, our parish wants you to know that you will always be remembered fondly and with high regard and respect for your contributions to parish life which has helped to make KCCP the parish it is today. **May God bless you** in your move to a new parish and may your home be filled with love, laughter, happiness and faith *always*.

Plenary Council - Second Phase -Discernment

Would you like to be involved in contributing to the discernment phase of the Plenary Council process, as we move from listening and dialogue into listening and discernment.

The Communal Discernment phase is a process of prayer, contemplation, sharing with one another and seeking God's direction. It can be used as a Lenten group, or extend beyond Easter, if you choose. A process has been released for use by small groups - about 8 people over 6 sessions.

If you would like to be involved, please contact Sue Newnham - 0400300598 or Simone Noel - simone.noel7@gmail.com or the Parish Pastoral Centre on 9454 2450.

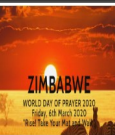

SAVE THE DATE! The Select Choir, a small group of singers from the Children's Choir, will be presenting a Lenten Reflection evening on Friday 27th March at 7.30pm in St Patrick's church. Follow the way of the Cross, with beautiful inspiring music and stirring reflections. This is a very special experience, not to be missed.

Children's Choir @ St Patrick's sings at 10am Mass on 2nd and 4th Sundays every month, and practises every Friday during school terms from 4 to 5pm in St Patrick's church. The Choir is open to any young person from Year 3 to the end of high school. New singers must complete a Registration form for Child Protection and Safeguarding purposes. These can be obtained from the Parish Office or at practices. Please return promptly to the office or to Patricia Smith.

Cherubs Choir, our liturgical choir for children in Kinder, Year 1 and Year 2, is currently in their intensive training period, while we welcome new members and settle down into a routine - lots of new songs, and learning each other's names so that we can be a real community who work together and care for each other. The Cherubs practise before school at 8.15 to 8.45am on Tuesday mornings in St Patrick's church. Our first Mass will be on 22nd March at 10am.

Senior Parish Choir will be singing at the monthly Mass of Anointing at 11.30am at St Bernard's church this Friday, 6th March. We would be delighted to welcome new singers to this group: no special qualifications needed, just a willingness to use the voice God gave you!

Enquiries on any of above please call Patricia Smith 9482 7935.

World Day of Prayer 2020: THIS Friday 6 March - This year's theme is **'Rise! Take your Mat and Walk'** and has been prepared by the faithful Christians in Zimbabwe. Celebrated annually on the first Friday in March, this global ecumenical movement is led by Christian women who come together in prayer and action, for justice and peace. The movement aims to bring together people of all races, cultures and traditions in a common day of prayer.

Berowra's churches take it in turns to host a local service, and this year it is the turn of Berowra Uniting Church. Please come along to show support for this local ecumenical initiative and join in praying for Zimbabwe! **Date: Fri 6 March Time: 7pm Place: Berowra Uniting Church, Alan Rd, Berowra Hts.**
