

# KU-RING-GAI CHASE CATHOLIC PARISH

'Seek God, Find God, Embrace God in Jesus'

Diocese of Broken Bay ~15th March 2020 ~ Third Sunday of Lent - Year A

If today you hear his voice, harden not your hearts.

Ex 17:3-7; Rom 5:1-2,5-8; Jn 4:5-42

**Our Mission Statement:** 'Help others to recognise, through their experiences, that Jesus who died and is risen is the truth that lights up their lives'

**Our Vision Statement:** 'That the parishioners of Ku-ring-gai Chase Catholic Parish grow as missionary disciples and live as community in Christ inviting all people into our Parish, welcoming them to our Parish life and embracing the rich diversity of our community'

**GOSPEL REFLECTION** © Dianne Bergant CSA

All people thirst for meaning, but of what does that meaning consist? The people in the desert thirsted for water, but they misunderstood their thirst. The woman of Samaria thirsted. Her conversation with Jesus showed that she thirsted for understanding and insight as well as water. For what do we thirst in this world of such great excess and unmeasured need? Life has not become simpler with all of our advances. We still thirst for more – for the newest, the fastest and the best. How much is enough, and when do we cross the line into 'too much'? The gospel readings for the scrutiny Sundays very clearly lay out the choices that are placed before the catechumens and the rest of the believing community as well. This Sunday it is between water that quenches thirst and water that does not. Jesus identifies himself as the source of water that guarantees eternal life. He places before the Samaritan woman a choice that requires a step of profound faith. She knows the thirst-quenching quality of the water from Jacob's well, but she is not acquainted with the water promised by this stranger who is also an enemy of her people. The choice is not an obvious one. A similar choice is placed before us. We know the demands of our culture and the circumstances of our lives. Are we able to acknowledge the sins of which we are guilty, recognise the grace that is being offered to us, and make the right choice?

**Dear Parishioners,** For the last two weeks we have had a gentle message prominently placed on the front page of the bulletin about the use of the Chapel at St Patrick's and yet, sadly, the message does not seem to be getting through.

## The Chapel at Saint Patrick's is NOT to be used during Holy Mass.

We have noticed that children (5-7yo!) are being allowed to climb over and swing off the Altar while parents talk during the Mass. Children are also throwing the kneeler cushions around the Chapel and chairs are moved from their positions and not put back. These actions and the resulting noise is very distracting to the priest who is facing the Chapel and can see all that is taking place! Most importantly they are blocking access to and creating trip hazards for the Communion Ministers to get the Eucharist from The Tabernacle.

**The Chapel at Saint Patrick's is where the Tabernacle is situated; in other words where 'Christ is present in the Holy Eucharist'; it should therefore be a place of reverence at all times and is reserved for quiet prayer and reflection before and after Mass only.**

The 'crying' room on the school side of the church is available if absolutely needed, however, all parishioners should join together as part of the congregation in the main body of the church during Mass. *Fr Shaju and Fr Joy.*

Parish Pastoral Council Voting will take place this weekend. See inside for full details.

## Solemnity of St Patrick, one of our Patron Saints, March 17.

Patrick arrived in Slane, Ireland on March 25, 433. There are several legends about what happened next, with the most prominent claiming he met the chieftain of one of the druid tribes, who tried to kill him. After an intervention from God, Patrick was able to convert the chieftain and preach the Gospel throughout Ireland. There, he converted many people -eventually thousands - and he began building churches across the country. He often used shamrocks to explain the Holy Trinity and entire kingdoms were eventually converted to Christianity after hearing Patrick's message. Patrick preached and converted all of Ireland over 40 years. He worked many miracles and wrote of his love for God in Confessions. After years of living in poverty, travelling and enduring much suffering, he died March 17, 461.

**Mass of the Solemnity of St Patrick will be celebrated at 8am at St Bernard's and 9am at St Patrick's.**

**The celebration at St Patrick's will be a whole school mass and all are very welcome to attend.**

**NB: Mass of the Solemnity of St Joseph will be celebrated on Thursday 19 March, at the usual times at our churches.**

**Someone is having a Birthday TODAY !!**

**Happy Birthday Fr Shaju  
May God's love and peace be with you always and his abundant blessings be upon your priestly ministry.**

## PUBLIC HEALTH NOTICE: The Latest Update (@ 5 March 2020)

Now, with confirmed cases of (COVID19) human to human transmission in the Greater Sydney area, Bishop Anthony has reviewed the instructions that he provided at both the end of January and the end of February. He now provides us with the following additional instruction proportionate to the current understanding of the coronavirus and the risks outlined by health authorities:

- Individuals should consider their own health, including any potential to infect others with a contagious disease, before attending a public liturgical celebration, and the manner by which they engage their participation in the celebration.
- **Holy Water** should be temporarily removed from stoups at the doors of churches to reduce the possibility of transmission of the virus. Holy Water should continue to be available for people to take home.
- Parishes and other settings where liturgies are celebrated should make alcohol-based gels or rubs (or like products) available near entrances. Similar provisions should be considered for settings used for the Sacrament of Reconciliation.
- Celebrants may exercise the option allowed in the Roman Rite for the inclusion of the **Sign of the Peace in the Rite of Communion**. If they choose the option for the Sign of Peace, individuals should avoid shaking hands but say "Peace be with you" and offer a smile, wave, nod or bow.
- **Parishes continue not to distribute Holy Communion from the Chalice** until further notice. *The Faithful should be reminded that Christ is fully present under either species.*
- All Ministers of Holy Communion should take particular care to wash their hands before and after distributing. Appropriate means should be made available.
- The Faithful shall still have the option of receiving Communion on the tongue until the situation is further reviewed, but Ministers of Communion should disinfect their hands afterwards and avoid contact with the palm of people's hands.
- The faithful who are too unwell to attend Sunday Mass – whether due to coronavirus or some other condition – or are at particular risk of contracting the COVID-19 virus can honour their Sunday obligation by participating in a time of prayer within the home, reading the Scriptures or watching Mass on television or online (<http://bit.ly/MassOnDemand>).

Bishop Anthony requests that our clergy communicate this relevant advice with the Faithful clearly and appropriately. When conducting services in hospitals and aged care facilities, as well as those who conduct pastoral visits to other settings, including people's homes, individuals should follow the advice of local health authorities. Should the situation change, Bishop Anthony will further review these instructions. With his deep appreciation for your ministry during this time,  
*Fr David Ranson VG*
