Dear Parishioner,

The Parish Pastoral Council invites you to a special workshop on Tuesday 9 July in the Parish Meeting Room at Wyong.

The workshop will be up to 90 minutes in length and will look at the changing role of parishioners in today's Church and what it means to live out our Baptismal vocation as Disciples in today's world. We will explore the priorities for our parish right now, and ways of implementing change for the future for the betterment of all.

Two separate workshops will be held on 9 July.

Session one from 3:30pm - 5:00pm OR

Session two from 6:30pm - 8:00pm

Light refreshments will be available before each session. To help with catering could you please let Jo at the Parish Office on 4352 1011 or a Parish Council member know which session you will be attending.

Looking forward to meeting with you and for your input into the planning for our parish into the future, but especially for the next two years.

Christ's blessings on you and your family.

Kerry Bugden for the Wyong Parish Pastoral Council.

PARISH DEVOTIONS

In the Catholic faith, daily devotions play an important role in our spiritual journey. Taking time out of our busy schedules to spend time with our Lord in prayer, scripture reading, meditation, and silent contemplation enriches our faith and daily walk with Christ.

Gospel Reflection for The Most Holy Body & Blood of Christ

Luke's Gospel narrates a number of episodes that evoke the Eucharist. The beautiful post resurrection evening meal at Emmaus is one such. Today's passage is another. Jesus welcomes the people, cures those in need of healing, speaks to them of the kingdom of God, and feeds them abundantly in the lonely place.

Paul's presentation of the institution of the Eucharist is the earliest written account we have. He wrote as a corrective to the selfish behaviour of the Corinthian community at their celebrations. They showed no regard for one another, no replication of Jesus' hospitality, no care for those in need, no focus on the kingdom of God. They were blind to the fact that Jesus shared the bread as a sign of his life given for his sisters and brothers.

Today's solemnity of the Body and Blood of Christ challenges us to examine our lives. Does our participation in the Eucharist bear fruit in self-giving in daily life?

WHY WE DO THE THINGS WE DO

Body and Blood of Christ The feast of Corpus Christi focuses on the Eucharist as a symbol and sacrament of unity. While we celebrate the Eucharist every Sunday, today we give special consideration to the Bread of Life nourishing our lives. When we break bread and share the one cup we recall that sacred meal between Christ and his disciples just before sacrificing his life on a cross. Like those disciples, Christ's death and resurrection has bonded us in a love relationship. For this reason, the Eucharist is never a private affair but always a call to unity. In receiving communion today, be aware of Christ's presence not only in the Eucharistic host, but in those receiving with you

PLENARY COUNCIL 2020: National Theme for Discernment #2 – How is God calling us to be a Christ-centred Church that is Inclusive, Participatory and Synodal? This National Theme for Discernment is inspired by the voices of the People of God who expressed a desire for individuals and groups within and also beyond the Church to find a better welcome and be incorporated more into her life and mission.
