Prayer for a New Bishop

Heavenly Father and Eternal Shepherd, you watch over and govern your flock with vigilance and concern. In your immense love, grant to your Church a pastor who will please you by his holiness and aid us with his unfailing care.

In your time, grant us the joy of welcoming a shepherd formed after your own heart. May he be an example of virtue to your people and, imbued with the power of the Holy Spirit, fill their minds with the truth and beauty of the Gospel. Grant wisdom, O Lord, to those now discerning your holy will in the selection of our new bishop.

We ask this in the name of Jesus our Lord and through the intercession of our Mother, Mary Star of the Sea. Amen

Birthday Blessings 7th Oct

Happy Birthday Fr Raul, we hope your special day is blessed with God's joy and peace.

Social Justice

The Central Coast Council has released the report on Affordable Housing and it is available on the Council Website. It is essential that we use this opportunity to ensure the council adopts the report so that additional affordable housing will come available over the coming years. This weekend at all Masses, a guide will be provided with the information necessary for parishioners to make contact once again with councillors through emails and/or letters. This contact is essential to ensure that the councillors are aware of our continuing interest. They will need to act to make the provisions necessary for more additional affordable housing across the Council area.

Last weekend we celebrate Social Justice Sunday. This year the Statement is titled: 'A place to Call Home: Making a home for everyone in our land.' By our response to this Council's Affordable Housing report, we will be meeting the Social Justice Statement challenge to confront Australia's growing rate of homelessness and unaffordable housing.

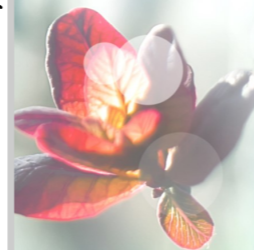

Gospel Reflection

Excerpt from; God's Word 2018:

Daily Reflections

During the time of Jesus, there was considerable discussion about the right of a man to divorce his wife. Divorce was allowed on the basis of the mosaic Law (Deut 24:1-4). Jesus utilizes the occasion to present the divine plan regarding marriage and human relationship. The plan of God is that the relationship between man and woman be a relationship of equals based on their complementary nature. It is a relationship stronger than the one existing between parents and children, a relationship which is reciprocal. This relationship for life is the greatest hope of humanity today and of the generations to follow.

God's plan for marriage is not respected when men, feeling themselves physically stronger than women, act as owners of their wives. The second way of going against the original divine plan of God is to enter into marital relationship without love and the intention of fidelity. The third way of despising God's plan is to concentrate on one's own interests without taking into account the need of one's partner. Another way of showing disrespect towards God's plan is to focus on the problems rather than on the solutions in human relationship. Today let us pray for married couples as they strive to love each other and fulfil their responsibilities and commitment.
