Bishop Anthony Randazzo invites everyone in our community the opportunity to participate in the Pastoral Discernment Northern Beaches project.

The Project aims to understand the unique challenges and opportunities distinct to the Northern Beaches Deanery in order to develop a Pastoral Mission that enables all in the community the opportunity to participate more fully in the Mission of Jesus Christ.

All members of our community are invited to take part in one of the planned Warringah Parish Consultation Forums.

This is an opportunity for us to listen deeply to each other and attend to how the Holy Spirit is moving within us.

We want to hear from you on how our parish and school communities can give thanks to God for the way in which the Spirit is at work in the life of the local Church, and to consider new possibilities for both the growth and future of the Northern Beaches region. Please consider joining us!

Invite family, friends, neighbours, young people – everyone is welcome! We want to reach a broad range of contributors to participate in this listening and dialogue opportunity.

If you can't make the community listening and dialogue session, visit: www.bbcatholic.org.au/pdnb to submit your individual submission for consideration.
